

TESTIMONIALS

I had the opportunity to attend CDA classes presented by Mrs. Mary Humphries. It has provided great knowledge and information in fun and informal ways to get me qualified as well as establish and develop me in a positive and successful way to manage a center

It has been and is a very informative experience. I strongly recommend anyone interested in child care taking these classes.

Kathleen R. Murphy

Training was/is very in-depth, precise and accurate. I've never had a more competent and understanding teacher than Mary Humphries. Highly recommend!!

Grace Wilson

Mrs. Mary's workshop helped me get started on my CDA in an organized and informative fashion. Who better to teach you about becoming a Director than a woman with over 33 years experience as a Director!! Thank you for getting me so excited about getting my CDA, Mrs. Mary!
